ParkOpera ON TOUR

For almost forty years, Park Opera has delighted its audiences at the Wilde Theatre, Bracknell, with its fully staged operatic productions. We have a large and talented chorus, and superb soloists, many of whom have gone on to successful national and international careers, and we are excited to be reaching a new audience with our Spring Concert Series.

Following our highly acclaimed Tour in 2018, we are delighted to present a sparkling evening of popular gems from the world of opera and operetta, featuring an all-new programme of beautiful solos, exciting choruses and thrilling ensembles. From drama to romance, tragedy to comedy, there is sure to be something for everyone.

Highlights include Carmen's famous Seguidilla, Valentine's aria from *Faust* with its familiar melody, the delightful Pa pa pa duet from *The Magic Flute*, La donna e mobile from *Rigoletto*, the famous Humming Chorus from *Madam Butterfly*, Poor Wand'ring One from *The Pirates of Penzance* and much more.

Delightful sopranos Debra Morley and Lucy Dickson, powerful baritone Gregor Kowalski and superb mezzo Anna Loveday, who is also our Music Director, all return from our last tour. They are joined by bass Jeremy Andrews, and tenors James Scarlett for the final three concerts and Alan Everett on 9 May at Woking. Our wonderful accompanist is Judith Flint.

This will be an evening full of the glorious tunes for which opera is famous, and we look forward to seeing you at one of the lovely churches we are visiting.
