# A LIGHTER NOTE 2

16–17 June 2017 | Music Director: **Richard Stockton** | Stage Director: **Lucy Dickson**

Back by popular demand, Park Opera invites you to join them in another magical tour around the world of musicals, operetta and opera. Our mystery journey takes us from the heart of America, where we meet the heroine of *Kiss me Kate*, to the capitals of Europe, Vienna, Paris and London. We'll drink champagne at Count Orlovsky's lavish party, thrill to the most romantic love scene in all opera from Puccini's ever-popular *La Bohème*, and join the cockney sparrows in a lively *Lambeth Walk*, from *Me and my Girl*.

Our adventure will take us to exotic Egypt, Israel, Sri Lanka, India, Thailand and safely back to London, visiting Austria and Italy on the way. Musical highlights include the moving *Chorus of the Hebrew Slaves*, the exquisite tenor aria *Una furtive lagrima*, and the charming *Getting to know you* from *The King and I*, as well as some favourites from Gilbert and Sullivan's *Iolanthe*.

We have a superb cast including some of Park Opera's most popular soloists and our splendid chorus. With its rousing tunes, moving ensembles and enchanting solos, this show definitely has something for everyone!
